Changes due to COVID:

We are temporarily no longer accepting walk-in appointments. However, we want to remain being available for you and your furry friend. Please call us so we can evaluate the needs of your pet and schedule accordingly.

We are requiring that no more than 2 people come in with your pet and both people must be wearing a mask. If you are not wearing a mask then we will revert to curbside service. If you do not feel comfortable coming into the building, we will continue to offer curbside service.

We also ask that you call us at 719-574-1228 prior to coming into the facility. We are limiting the amount of people in the clinic at one time to follow proper social distancing.

Thank you for your cooperation
